What is the Guardian Angel Fund

The Guardian Angel fund is St. Paul's tuition assistance program that ensures no child is turned away because of financial need.

Your gift opens the doors of Catholic education to families who could not afford it on their own. With your support, children are able to remain at St. Paul, learning about God each day, guided by teachers who care deeply, and surrounded by classmates who encourage then to grow in faith, character, and academics.

What our donors say

"I personally benefited attending Catholic schools when I was young and believe they sow and nurture good seeds for a lifetime of Catholic living."
-Marika Neuhardt St. Paul Parishioner

"Every child deserves access to this kind of education and foundation. That is why I am committed not only to investing in my own children's future, but also to giving back to the school that helped shape me into the person I am today."
