

I represent St. Paul Church Raising Saints, and we are delighted to announce our upcoming annual Block Party, "For the Kids," scheduled for July 20, 2024. This event serves as a vital fundraising initiative aimed at enhancing the educational standards and safety measures for our students within the community.

Over the years, the proceeds from this event have been instrumental in supporting various initiatives, including The Macomb reading program, funding resource officers, providing MDH teddy bears for children, supporting St. Paul Saints students, and supplying OPS helmets for kids.

We recognize the invaluable contribution of local businesses to our event, and we would be grateful to you and your business if you would consider sponsoring our event.

Thank you for considering sponsoring our event and supporting the children in our community.

Sincerely,
St. Paul School
Marlena Lee
