Annual Diocesan Appeal

Thank you to everyone who has already participated in this year's Annual Diocesan Appeal.

This year's theme, "You Will Be My Witnesses," comes to life through ministries that change lives every day. From helping young men discern a vocation through Emmaus Days, to strengthening marriages and families, to serving those in need through Catholic Charities, your generosity makes Christ's love visible throughout our Diocese.

If you have not yet made your gift, we invite you to prayerfully consider participating today. Click on the QR code below:

Our parish is striving for 100% participation, and every dollar raised above our goal will be returned to our parish to help support the ongoing needs of both St. Paul & St. Rose.

Treasures from our Tradition

All Christians in both East and West embraced the care of the sick as essential to church life. In the West, the importance of the visit of the priest is stressed, while in the East, the sick person is brought to the church for a full Liturgy of the Word. Some, such as the Armenians, even call it the "Ritual of the Lamp," since the oil is poured out of the lamp by which the Word is read. This may be why Eastern Christians sometimes anoint the sick with this oil, since the trip to church might kill them.

Our tradition in the West also unfolded in monasteries, where it was possible for infirm monks to be attended with a full and beautifully consoling liturgy. In 950 the monks of St. Alban's Abbey in Mainz produced a ceremonial book that was instantly a pastoral hit everywhere. There were two lengthy rituals for the sick, one an extended vigil, and the other a liturgy of anointing that included Communion under both species. **(continued on next column)**

Treasures from our Tradition (Continued)

While this ritual was a house formula for monks, it is easy to see how monks who had the care of parishes desired to serve their parishioners in a similar way. The first form included the chanting of penitential psalms, and the second form required a confession beforehand. Both forms included a laying on of hands, which everyone understood as being an essential part of penance.

The Word in our Lives

Getting to Know You

At the end of today's Gospel, the groom answers the pleas of the foolish virgins not with a question, "Why weren't you ready?" but with the statement, "I don't know you" (Mt 25:12). Now that sounds kind of odd, if the bridegroom represents the LORD, because God knows everything and everybody. But here in Matthew's Gospel, this phrase seems to imply that "because you made no effort to know me, I don't know you."

So what am I doing to get to know Jesus? One way to know someone is to act like them. Actors who portray a real person try to watch videos of that person to see how they talk, walk, relate to people, etc. We can act like Jesus by following his example of care for the poor and the sick, forgiving people who have done wrong, feeding the hungry, and giving God the credit for what we do.

Another way to get to know someone is to talk to them. The more we pray, the more we get close to Jesus. We can praise God for Creation, we can thank God for all the giving (and forgiving!) We can ask for help for those we love and for God's strength in our weakness (2 Cor 12:9). But we don't get to know someone if we do all the talking. Our prayer can include time to be quiet and listen to the LORD. We also listen to God by reading God's words in the Bible. Hopefully, we can all find ways of getting to know the Lord, so that God can "recognize" us as friends.
